

Colour Theory 1 – Understanding Colour

We will be mixing colours to make a colour wheel and learning about tints, tones, shades and complementary colours.

Please bring...

- Paints (preferably acrylics, but water colour or poster paints will do) in the following colours...
 - Yellow (lemon)
 - Magenta (pinky red)
 - Cyan (turquoise)
 - White
 - Small amount of black
 - The System3 Acrylic names for the colours are Process yellow, Process magenta and Process Cyan.
- Paint brush (about size 6).
- Jar for water.
- Paper and pencil for notes.
- Paper or thin card to paint on.
- Kitchen paper or small towel.
- Magazine with lots of pictures and adverts – optional, but interesting!
