

Free Machine Embroidery - Requirements List

I will be introducing you to a number of different ways in which you can use your machine with the feed dogs down. It opens up a whole new world of opportunity which I hope you will enjoy.

Please bring...

- 2 fat quarters of plain patchwork weight cotton for practicing (bring normal stabiliser if your fabric is fine)
- Some pieces of coloured or patterned fabric for free machine applique
- Contrasting thread for practicing. Cotton machine quilting thread works well and variegated is effective, but not necessary.
- Spare bobbins
- Spare needles suitable for your threads. Jeans/denim 80s work well.
- Open toe or darning foot
- Machine which has feed dogs that go down or that can be covered up
- Normal sewing kit
- Paper and pencil
- Machine embroidery threads if you have them
- Embroidery hoop
- Wash away stabiliser (the heavier weight/Romeo)
- Pen for drawing on stabiliser
- Sewing machine instruction book

I will bring as much spare stuff as I can so if there is anything important that you are not able to bring with you then you will be able to get it from me or from the shop.
